

## Ep. 52: Author Ben Davis "Art in the After-Culture: Capitalist Crisis and Cultural Strategy"

Art Sense

### INFO

A discussion with art critic Ben Davis about his new book "Art in the After-Culture: Capitalist Crisis and Cultural Strategy". In the book, Davis (whose day job is National Art Critic for Artnet News) presents a number of essays that comment on the future of culture, politics, and capitalism through the lens of the art world. What does the future look like?
